

All prices listed are for a 1-3 day rental period. We do not charge a "per day" rate. If your event runs beyond three days, we'll be happy to quote you an extended rate.

Reservation Deposits

A 30% reservation deposit is required at the time your reservation is made. The deposit is fully refundable up to 14 days prior to your event. Deposits on items canceled less than 14 days prior to the scheduled event date will not be refunded. Final numbers must be in by noon five days prior to scheduled delivery.

Set-up a la cart:

Set-up is optional on all DIY canopy tents, dance floor rentals and bounce houses. Please let us know when you place your order what you would like us to set up. We will quote you set up fees at that time. Tables, chairs and other equipment will be stacked neatly at a mutually convenient location on delivery. Equipment should be re-stacked to avoid additional labor fees. We'd be happy to set-up tables and chairs for you at a reasonable labor fee, provided we have adequate advance notice. Please call us for a quote.

Access

All rental and delivery fees are based on "to the door" or ground floor deliveries. Additional fees will apply for difficult access to the delivery site. Please understand our delivery personnel are not allowed to deliver items into your home.

After Hours Pick-up or Delivery

Rental rates are based on delivery and pick-up during normal business hours. During our peak season, we extend our normal hours to accommodate a higher volume of rentals. Should you require delivery and/or pick-up outside of our normal hours, overtime rates will apply. Please call for a quote.

Cleaning Deposits

A cleaning deposit is required on barbecue and bounce house rentals. The deposit is fully refundable if the unit is returned to us in the same condition in which we delivered it.

Delivery

Delivery is typically scheduled a day or two before your event with pick-up a day or two after the event. Because we don't charge by the day, we can offer some flexibility to make the delivery convenient for

you and for us. Please specify your preferred delivery day when you place your order. We can usually accommodate an a.m. or p.m. preference. Should you require delivery and/or pick up at a specific time or within a less than 4-hour window, additional fees may apply.

Delivery or mileage fees will be applied based on distance and drive time from our warehouse. All rental rates and mileage fees assume delivery will be during normal business hours. A signature is required on all deliveries, unless we already have a signed contract on file. Please call us for specific mileage rate to your area. Pick up is included in all of our delivery fees.

Labor

Additional labor fees will apply for time involved to perform any work that is additionally requested by you. Please have the site where you want your tent marked on the day of delivery. If you do not mark the space then we cannot setup your rentals.

Staking

Staking to a depth of approximately 2.5' is required on most tent installations. BreMar Rental assumes no responsibility for underground utilities such as power and water. Call your Sprinkler Company or Call Before You Dig.
